**Scholarship Dollars 1988-2019 Analysis of  
Ponca Community Educational Foundation  
Scholarships**

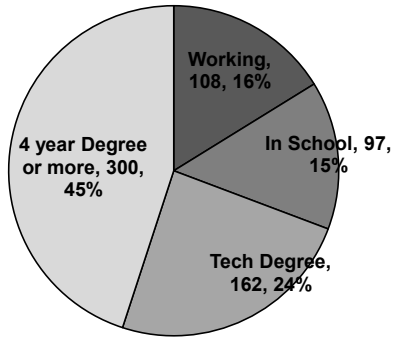

The scholarships given to seniors graduating from Ponca Public Schools has been analyzed for the past thirty-two years, from 1988-2019. In that time period, a total of 667 students have received 1,323 scholarships worth \$382,713. Of the 667 students, 108 of them are working representing 16% of the total students and 84% are in school, have a tech degree or a four year degree. That percentage is even lower when you look at the 1,323 scholarships that have been given - only 13% of the number of scholarship given are working. The most important percentage is that of the dollar amount of scholarship given. Only 9% of the \$382,713 given in total scholarship dollars during this time period has been given to students who are working. The remaining 91% of the scholarship dollars have been given to students in school or with a degree.

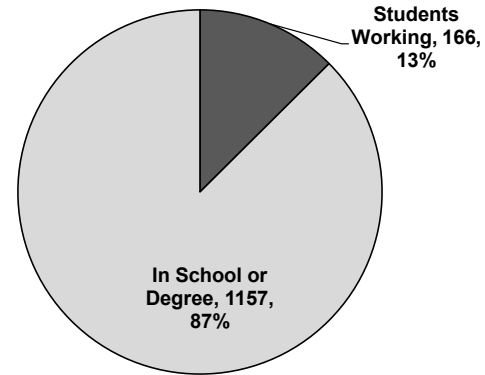

Note: Numbers only include graduating seniors; renewable scholarships are not included. Amounts do not always agree to the brochure due to scholarships returned or reallocated.
