PONCA COMMUNITY EDUCATIONAL FOUNDATION

"We have no greater asset than our young people;
No better cause than their education."

Thanks to the generosity of our dedicated donors, the **Ponca Community Educational Foundation (PCEF)** is proud to offer this opportunity to support Ponca High School seniors through our **Ponca Promise Program**.

This program is designed to encourage and assist students who are earning **college credit** while still in high school. As part of the Ponca Promise, PCEF provides a **reimbursement of up to \$100 per semester** to seniors who enroll in and successfully complete an eligible college credit course through **Northeast Community College** or **Wayne State College**.

Students may apply for reimbursement **once per semester**, as long as they are enrolled in a **different course each time**. That means students can receive up to **\$200 total in reimbursement** over their senior year.

To qualify for a college credit course and the reimbursement program, students must:

- Be a **senior** at Ponca High School.
- Have a **minimum GPA of 85% or higher**.
- Complete and submit the **Ponca Promise Reimbursement Form** (available from the Guidance Office or online).
- Earn a final **grade of B or higher** in the college credit course.
- Provide **proof of the final grade** and **proof of payment** for the course or related expenses.
- Include the **name of the person who paid for the course** on the reimbursement form. **PCEF will issue the reimbursement to that individual**.

If you have any questions or need assistance with the process, please contact the Ponca High School Guidance Office.

Sincerely,
